

# Stay And Love Me All Summer

Brian Hyland

Why can't you stay and love me all summer?

Don't go on vacation

I can't live through the separation

Stay in town, girl stay around, girl I need

Why can't you stay and love me all summer?

Why can't you stay and love me all summer?

Last year we were parted

Till September I was downhearted

Skies are so gray when you're away, so baby

Why can't you stay and love me all summer?

Why can't you stay and love me all summer?

They say there is no place like home

But I can't face this place called home alone

Pity, have some pity

Spend your summer here in the city

Share my warm nights, share the bright lights I want you

Why can't you stay and love me all summer?

Why can't you stay and love me all summer?
