All I Want Is You

Brian McFadden

You say you want diamonds on a ring of gold You say you want your story to remain untold

All the promises we make From the cradle to the grave When all I want is you

You say you'll give me a highway with no one on it Treasure just to look upon it, all the riches in the night You say you'll give me eyes in a moon of blindness A river in a time of dryness, a harbor in the tempest

All the promises we make From the cradle to the grave When all I want is you

You say you want your love to work out right
To last with me through the night
You say you want diamonds on a ring of gold
Your story to remain untold, your love not to grow cold

All the promises we break

From the cradle to the grave

When all I want is you, is you

(All I want is, all I want is, all I want is, all I want is)

All I want is you, is you, is you, is you

When all I want is you
