Brian McFadden

So how can I protect you in this crazy world  
Its alright, yeah  
Its alright

I have fallen down so many times  
I don't know why, I don't know where  
don't care less its all the same

I have travelled through so many towns  
I don't know why, I don't know where  
don't care less its all the same

So how can I protect you in this crazy world  
Its alright, yeah  
Its alright

Can you hear the sound of nothing nothing  
Nothings right nothings wrong  
don't care less its all the same  
Love is blind love is real  
don't you know that love is what you feel  
Its alright, yeah  
Its alright

So how can I protect you in this crazy world  
Its alright yeah  
Its alright

And when the talking is over  
All the crowd has gone  
Nothing left I can do  
Am I ever gonna get through to you  
Its alright

Its alright  
Its alright  
this is crazy world

So how can I protect you in this crazy world  
Its alright yeah  
Its alright

How can I protect you when all the crowd have gone  
Now your party's over and all this world is wrong  
Its alright yeah

Its alright [x4]

How can I protect you in this crazy world  
Its alright yeah  
Its alright...
