

# Forgive Me Twice

Brian McFadden

I know I've lost you  
Now what can I do

I dont have an answer  
Words could not erase it  
I could try but it's so useless  
In the end they're just excuses

Who have I been fooling  
It seems it's only been myself  
Thinking you'd forgive me twice  
I'm the only one who's guilty  
And now I'll have to pay the price  
For thinking you'd forgive me twice  
Oh wouldnt it be nice

You know I really love you  
So what can I do?

Guess I've run out of chances  
And you've run out of reasons  
To take me back but even she knew  
My heart's made to only love you

Who have I been fooling  
It seems it's only been myself  
Thinking you'd forgive me twice  
I'm the only one who's guilty  
And now I'll have to pay the price  
For thinking you'd forgive me twice  
Oh wouldnt it be nice

Things might never be the same  
And I'm the one to blame  
I'm sorry baby

I swore I'd never hurt you  
But that's exactly what I've done  
Thinking you'd forgive me twice

You know I really love you  
You know I really love you
