

# Pull Myself Away

Brian McFadden

I found myself magnetized  
My senses they were hypnotized  
Everything was drawing to you  
I lost all sense of time  
The everyday was pushed aside  
Even though I've so much to lose

Do have tried  
To open up my eyes  
You don't mean a word you say

Can't pull myself away

Now I'm on a danger list  
A thief of love that's ever-ish  
How can I have such a selfish heart?  
Like the river needs the rain  
I've come to drink your words again  
Back I come to blow my world apart

You can try  
To fix it with delight  
You don't mean a word you say

Can't pull myself away

Oh what a beautiful way to go  
What a beautiful way to go  
Oh what a beautiful way.. to go

Something I will never do  
Is be a cause of pain for you  
Why should (I) just forget it all today

Drawing to you, I can't seem to  
Pull myself away  
I hear you calling, as I'm falling  
Can't pull myself away

Can't pull myself away
