Brian McFadden

Hey girl let's make a pledge  
I'm hanging right out on the edge for you  
My honesty's over the cliff  
Nothing seems to exist without you

Please don't misunderstand  
You're still part of the plan

Im taking whats breaking me, shake it up making it right  
Zoomer Zoomer  
I'm blowing it knowing that everything's gonna be fine  
Zoomer Zoomer  
I'm choking from joking and toking I'm hoping  
I'm always gonna feel like I'm  
A zooma...

Do I get all I deserve  
Am I hitting a nerve or two?

Why you looking so scared  
It's not as if I came unprepared  
To do all I have to do  
I'll see it through

Im taking whats breaking me, shake it up making it right  
Zoomer Zoomer  
I'm blowing it knowing that everything's gonna be fine  
Zoomer Zoomer  
I'm choking from joking and toking I'm hoping  
I'm always gonna feel like I'm  
A zooma...

Life never runs smooth or on straight lines  
So why she we make do without a fight

Im taking whats breaking me, shake it up making it right  
Zoomer Zoomer  
I'm blowing it knowing that everything's gonna be fine  
Zoomer Zoomer  
I'm choking from joking and toking I'm hoping  
I'm always gonna feel like I'm  
A zooma...
