

# After the Love

Brian McKnight

Ooh, ooh, ooh, ooh, ohh, ahh, ooh, hey hey

I thought that love would conquer all  
But nothing could break my fall  
The moment you left my side  
And now there's nothing left to say  
Since you took your love away  
I been yearning for you deep inside

I can't believe that it's over  
In my arms is where you belong  
When I think about the the love we shared  
How did we go wrong  
And how can I go on  
Can I go on

Sometimes you can't let go  
Of the love you thought was yours (mine and yours)  
Will I ever get over  
'Cause I've come to know that  
It's so hard to carry on  
After the love is gone  
After the love is gone

If I only had a clue  
That I'd end up losing you  
I might of held on to my heart  
Taking for granted you'd be mine  
'Til the end of time  
Has torn my world apart

I can't believe that it's over  
In my arms is where you belong  
(where you belong)  
When I think, think about the love we shared  
How did we go wrong  
And how can I go on

Sometimes you can't let go  
Of the love you thought was yours (mine and yours)  
Will I ever get over 'cause I've come to know  
That it's so hard to carry on  
After the love is gone  
After the love is gone

I can't believe that it's over  
In my arms is where you belong (where you belong)  
When I think of all the love we shared  
How did we go wrong  
And how can I go on

Sometimes you can't let go  
Of the the love you thought was yours, mine and yours  
Will I ever get over 'cause I've come to know  
That it's so hard to carry on  
After the love is gone  
After the love is gone

(And after the love)  
After the love is gone  
Life must go on  
After the love is gone
