

Another You

Brian McKnight

If I traveled all around the world
I knew what I would find
Someone half as smart
Someone half as sweet
Half as lovely & half as kind
if I was the ruler of a kingdom
with a house of wives to choose
It wouldn't even quite compare
To what I've got right here with you

So if I stumble just a bit trying to say what's on my mind
Please excuse me cause I never
felt the way that I feel inside
It's possible
I may have finally have found
my dream come true
There can never be another you

The stars are bright tonight
They know you are mine all mine
I knew that it would be alright when my other dreams fell through
And for this very night
I've waited all my life
Standing straight and tall
I give my all to you

So please excuse me if I
Stumbled just a bit
Trying to say what's on my mind
Please excuse me cause I never
felt the way that I feel inside
It's possible
I may have finally found my dream come true
There can never be another you
There can never be another you
