

Christmas Time Is Here

Brian McKnight

Well, the snow is beginning to fall
And the day of thanksgiving has come and gone
Silver bells begin to ring, hear little children sing
'Silent Night' was never just a song

Stockings are hung by the chimney with care
It's the most wonderful time of the year
Ice cream castles in the sky, there is happiness
In their eyes 'cause Christmas time is here

Ring a ding-ding wrapping presents, hearts reflect
The fire's glow, I have you underneath the mistletoe
And all is fine, fall down like rain upon me, give me
Something I can feel, so then I'll know, then I'll know this is
for real

Stockings are hung by the chimney with care
It's the most wonderful time of the year, ice cream castles
In the sky, there is happiness in their eyes 'cause Christmas t
ime
