

End And Beginning With You

Brian McKnight

Never wanted to touch you,
But it didn't turn work out that way,
Never wanted to kiss you,
Cause I knew that I'd i feel this way,
Never thought that I'd find somebody,
Someone to share my dreams,
Now all that really matters is you want to be with me,

Just want to spend my time with you,
Whenever Wherever we go whatever we do,
I don't know if that you know but,
I never felt the way I do,
That's why I would scream and i wish we could shout it,
The dreams you dream they can come true,
Just want the rest of my days to,
End and begin with you!

Never was one willing to make promises,
Promises are so hard to keep,
Always knew if I fell that if feel in love,
I'd fall in I fallen way too deep,
Never believed believe in fairy tales,
Fairy tales never come true
And all it
It always feels like I am dreaming whenever I dream of look at you.

Just want to spend my time with you,
(Whenever) Wherever we go, whatever we do,
I don't know if you know but
I never felt the way I do,
That's why I wish we could would scream and shout it,
The dreams you dream they can come true
Just want the rest of my days to
End and begin with you.

Won't you get started open up your heart
You won't remember the things you say you'd never do
And before you know it
That you're the empty falling You're totally devoted,
All you want is dreams to And all your wildest dreams will come true!

Just want to spend my time with you,
Whenever Wherever we go, whatever we do,
I don't know if you know but
I never felt the way I do,
That's why I wish we could would scream and shout it,
The dreams you dream they can come true
Just want the rest of my days to
End and begin with you.

Just want them to end and begin with you
To end and begin with you!
