

Everything

Brian McKnight

Yesterday, came in your eyes, I caught a glimpse of tomorrow
And that's when I realized, that dreams come true.
For you love there's nothing I would not do.
Do I love you? Baby, I do.
That's why,

I'd sail across the ocean, bring you the sun.
With you I see forever, you are the one.
Girl, you're everything I need and more.
You are my everything, my everything.
For sure.

My heart, beats for you.
You are a light in the darkness.
You make me feel brand new,
And looking in your eyes,
I can tell you feel the same way too.
Do I love you? Baby, I do.

I'd sail across the ocean, bring you the sun.
With you I see forever, you are the one.
Girl, you're everything I need and more.
You are my everything, my everything.
For sure.

Wish I may, wish I might,
To have you here in my arms for the rest of my life.
I pray that you'll stay in my heart for always.

I'd sail across the ocean, bring you the sun.
With you I see forever, you are the one.
Girl, you're everything I need and more.
You are my everything, my everything.
For sure.
