

Find Myself In You

Brian McKnight

I was so lonely though there was so many symbols waiting
I'm so glad that this ain't that
You're the only reason I can make it through the long long day,
and that's a fact

Baby, I can't wait to get next to you, oh I can't wait to wrap
my arms around your body
Baby I can't help but tell the truth
Oh it's so hard to wait till no one else is around
Gonna try to keep myself together
Gonna find myself in you
Baby no no
Before they take you back to heaven
Gonna find myself in you, no no
I hate to keep waiting
But there are some things that need my attention before I can get
back to you
Anticipating my hands all over you baby, you know
I know just work to do

And baby I can't wait to get next to you, oh I can't wait to wrap
my arms around your body
Baby I can't help but tell the truth
Oh it's so hard to wait till no one else is around
Gonna try to keep myself together
Gonna find myself in you
Baby no no
Before they take you back to heaven
Gonna find myself in you, no no, no no baby

The only place I want to be is right here with you
Loving you down and you
You can take what you want from me
No else'll let me
Have you around
I'm gonna try to keep myself together
Till I find myself in you
Baby
Before they take you back to heaven
Gonna find myself in you, oh baby
I'm gonna try to keep myself together
Till I find myself in you
Oh, baby, baby
Before they take you back to heaven
Gonna find myself in you
Listen, listen
