

## Get U 2 Stay

Brian McKnight

Got your stretchy pants and that skin tight top  
And the boot ends on your feet  
And the devil and the angel on my shoulder agree  
It's imperative that we meet

I play keys in the band and I sing a little  
I'm a golf ball hidden machine

But baby I'm not jokin'  
If you see me smoking

I'm on fire  
And I hope that you feel the same  
Whatever you want me to say I'll say it  
In order to get you to stay

I've been hoping  
That something can be arranged  
Whatever you want me to say I'll say it  
In order to get you to stay

And how 'bout your friend?

Now we're dancing, you're a beast  
And you're smelling like strawberry peach  
Then you dip it down  
And you spin it around  
'Cause you know I'm watching  
And you back me up against the wall

Baby, I'm not joking  
If you see me smoking

I'm on fire  
And I hope that you feel the same  
Whatever you want me to say I'll say it  
In order to get you to stay

I've been hoping  
That something can be arranged  
Whatever you want me to say I'll say it  
In order to get you to stay

Nice!  
Skeet a little lower now
