

# Good Enough

Brian McKnight

Uh Uh Uh

Neither one of us can get to sleep  
Cause what's on your mind  
Is what's on my mind  
Both of us know we just may regret it  
And neither one of us can fight the truth  
Cause you feelin' me and I'm feelin' you  
And both of us hope that we'll never forget it

Cause we are closer and we touch  
And the feeling gets too much  
No need to hurry, no need to rush  
And I'm tellin you  
Girl I'm tellin you

You're not just givin' it up to me  
I'm not just givin' it up to you  
And since it's what we both want to do  
Thats good enough (thats good enough for me girl)  
And I'm just givin' it up to me  
I'm not just givin' it up to you  
And since it's what we both want to do  
Thats good enough (thats good enough for me girl)

Neither one of us can shake the past  
Are we movin' to slow?  
Or movin' too fast  
Cant touch us now, if we don't let it  
And neither one us wants this night to end  
If forever was low and time was suspend  
And wishes came true if we just said it

So we get closer and we touch  
And the feeling gets toomuch  
No need to hurry, no need to rush  
And I say to you girl I say to you

Ohh what we have right here now baby  
Is good for me is all good you  
Is all we were waiting for  
Take my hand  
And I take you to that special place  
Come with me through this open door

[Repeat 1]
