

Goodbye My Love

Brian McKnight

There never was a fool like a fool in love
I oughtta know
But I can tell you one thing
This fool's had enough
And it shows

Cause when we were making love
I wonder who you were thinking of
Was it you and me, or you and he
I gave my all to you and you walked all over me
Girl can't you see

Chorus: I don't want to cry for love again
No more do or die for love again
I don't want to lie for love again
The only way to mend this broken heart
Is for me to say goodbye my love
Goodbye my love

There never was a moment
I didn't need your love
I loved you so
Far too many lonely nights
It hurt so much
Girl just go

Cause when we were making love
I wonder who you were thinking of
Was it you and me, or you and he
I gave my all to you and you walked all over me
Girl can't you see

Chorus: I don't want to cry for love again
No more do or die for love again
I don't want to lie for love again
The only way to mend this broken heart
Is for me to say I don't want to cry for love again
No more do or die for love again
I don't want to lie for love again
The only way to mend this broken heart
Is for me to say goodbye my love
Goodbye my love

Bridge: (I'm goin' on)
Goin' on with my life
Wipe my tears away
I don't wanna cry
No more do or die
Sorry I have to say
(I'm goin' on)
Goin' on with my life
Wipe my tears away
I don't wanna cry
No more do or die
Sorry I have to say

I'm going on and on and on

On and on and on
On and on and on and on and on
Goodbye my love, goodbye my love
Goodbye my love
