Thinking back when we first met
I remember what you said
You said you'd never leave me
I let go of your hand
Built my castle in the sand
But now I'm reachin' out again
And I'm not letting go
Till you

Hold me
Mold me
Sometimes I feel so all alone
See, I gotta find my way back home
So why don't you
Shape me
make me
Wash me whiter than the snow
I gotta find my way
Back home

Master upon my knees i pray
I just want to be the clay
Put your arms around me
Place my life in your hands
Lord, I know I'm just a man
I know you understand
This time I'm not letting go
Till you

Anoint me
Appoint me
Sometimes I feel so alone
See, I gotta find my way back home
So why don't you
Chastise me
Baptize me
Wash me whiter than the snow
I gotta find my way

'Cause I'm lost and alone
I've been wandering
Long enough to know
Humbly I search for you
And I'm not gonna rest
Till you

Choose me
Use me
Sometimes I feel so alone
I'm on my way back home

So why don't you
Direct me
Bless me
Wash me whiter then the snow
I'm on my way
Back home
