

# I Couldn't Say

Brian McKnight

Baby I saw you, standing all alone  
In the moonlight, wishing as I may  
And I might have just one night with you  
(Pretty mama) Showdown, not ready  
But willing to slow down  
Cause I want to please  
I'll be around  
After the lovin' is through

But if we move too fast  
Will we wake up being strangers?  
We've got time  
Let it pass  
Cause how will we know  
How far it will go  
Will it end?

Chorus: I couldn't say  
I'd love you tomorrow  
It's too big a chance to take  
I'd be afraid you'd love me tomorrow  
It's too big a move to make  
We'd be making a big mistake

Don't get me wrong  
Cause I want you  
More than you know  
But let me get to know you  
Make my heart show  
What my feeling show  
Then I'll get closer to you  
But I'm just so helpless  
Against your touch  
I'm defenseless  
You're making me weak  
But I've got to be strong  
If right by you I'm gonna do

But if we move too fast  
Will we wake up being strangers?  
We've got time  
Let it pass  
Cause how will we know  
How far it will go  
Will it end?

Chorus: I couldn't say  
I'd love you tomorrow  
It's too big a chance to take  
I'd be afraid you'd love me tomorrow  
It's too big a move to make  
We'd be making a big mistake

But if we move too fast  
Will we wake up being strangers?  
We've got time  
Let it pass

Cause how will we know  
How far it will go  
Will it end?

I couldn't say  
I'd love you tomorrow  
Cause I'd be afraid  
You'd love me tomorrow  
It's too big a move to make  
We'd be making a big mistake

Chorus: I couldn't say  
I'd love you tomorrow  
It's too big a chance to take  
I'd be afraid you'd love me tomorrow  
It's too big a move to make  
We'd be making a big mistake

I couldn't say  
I'd love you tomorrow  
It's too big a move to make  
I'd be afraid you'd love me tomorrow  
It's too big a chance to take  
We'd be making a big mistake  
I couldn't say  
I'd love you tomorrow
