

# Marilie

Brian McKnight

Dear, every time you're near  
Unreal as it may seem  
You stepped right out of a dream  
Oh my, did you fall down from the sky  
To cause my world to spin  
Now I'm back in love again

Marilie, I know you're the one for me  
Yo te quiero a si  
(Yo te quiero a si)  
Everytime I look into your eyes  
Marilie, the most beautiful I've ever seen  
You're everything I'd ever need  
(everything I'd ever need)  
You help me be all I can be  
That's why I love you, Marilie

I feel like I could fly  
With your hand in my hand  
I'm some kind of superman  
See, now you and I are here  
Still what goes up comes down  
I'll never let you touch the ground

[chorus--repeat and fade]
