

Marilie

Brian McKnight

Dear, every time you're near
Unreal as it may seem
You stepped right out of a dream
Oh my, did you fall down from the sky
To cause my world to spin
Now I'm back in love again

Marilie, I know you're the one for me
Yo te quiero a si
(Yo te quiero a si)
Everytime I look into your eyes
Marilie, the most beautiful I've ever seen
You're everything I'd ever need
(everything I'd ever need)
You help me be all I can be
That's why I love you, Marilie

I feel like I could fly
With your hand in my hand
I'm some kind of superman
See, now you and I are here
Still what goes up comes down
I'll never let you touch the ground
