

One Mo Time

Brian McKnight

You say you're leaving
There's no turning back
And I can't believe it
That this is where we're at

'Fore you turn and walk away, baby
Leave it all behind
Let me love you, sugar
One mo time

And, oh baby, you say it's over
There's nothing else to say
Maybe you found another lover
And maybe one day you'll have his name

'Fore you walk out that door, baby
Leave me with my pride
(Just let me love you, love you)
Let me love you, woman, one more time
(One more time)

And though when we first met, baby
We couldn't stand to be apart
Now you're leaving me
Breaking my heart

So let me love you, baby
(Just let me love you)
Even though what we had is dead
(Just let me love you)
Let me love you
For all the I love you's that we said

And I won't keep you, no
You don't have to fear
I thank God for all the smiles
And I'm sorry for all the tears

Before you turn and walk away, baby
And leave it all behind
(Just let me love you)
Let me love you, sugar
(Just let me love you)
Let me love you, baby

(Why don't you just let me love you?)
Let me love you, woman
Let, let me love you, babe, with all that I got
(Just let me love you)

(Why don't you just let me love you?)
Let me love you, baby
Let, let me love you, woman
(Just let me love you)

One mo time
