

Sweeter

Brian McKnight

Yeah, the sky is so much bluer now
Since you came into my life, girl
Sunshine's so much brighter now
Since you opened up my eyes, girl

Yeah, everything in my life is sweeter
And it's all because of you
Yeah, you make everything in my life much sweeter, sweeter
Let me say it, yeah, yeah, yeah, yeah
Yeah, you make everything in my life much sweeter, sweeter
Yeah

My heart beats so much faster now
Now that you're my girl
The Earth seems so much smaller now
Now that you're my world, girl

Yeah, everything in my life is sweeter
And it's all because of you
Yeah, you make everything in my life much sweeter, sweeter
Let me say it, yeah, yeah, yeah, yeah
Yeah, you make everything in my life much sweeter (sweeter) sweeter
Yeah

Future's looking much brighter girl
Looking so much better than yesterday
I never thought I could be happy
Now my happiness is here to stay, to stay

Yeah, everything in my life is sweeter
So much sweeter, sweeter, sweeter
Yeah, you make everything in my life much sweeter, sweeter
You make it, you make it so much sweeter
Yeah, yeah (sweeter), yeah (sweeter), yeah (oh yeah, oh yeah)
Yeah, you make everything in my life much sweeter, sweeter
Yeah, everything in my life is sweeter, sweeter
Yeah, you make everything in my life much sweeter, sweeter
Yeah, yeah, yeah, yeah
Yeah, you make everything in my life much sweeter, sweeter
Yeah, everything in my life is sweeter, sweeter
Yeah, you make everything in my life much sweeter, sweeter
Yeah, yeah, yeah, yeah
Yeah, you make everything in my life much sweeter, sweeter
Yeah
