

Try Our Love Again

Brian McKnight

Its been so long since I touched your face
Its been so long since I had a taste
Its been so long since I had you here with me
Its been so long since our yesterdays
Its been so long since you went away
Its been so long I never thought I'd ever see you again

- So that's why, girl I don't wanna let you go
That's why, feel this time I'll let you know
That's why, babygirl don't tell me no
Why don't we try our love again?
So that's why, you're the one that I should be with
That's why, miss you more than a little bit
That's why, think I've had about enough of this
Why don't we try our love again?

It's been so long it's been quite a while
It's been so long since I seen that smile
It's been so long since I held you close to me
It's been so long so much has changed
It's been so long girl I take the blame
It's been so long but I knew someday I'd see you again

I used to have you here with me
I think about you constantly
And I just had to let you know
Cant remember why I let you go
But here we got us a second chance
The answers are our true romance
And we don't have to be alone
Its time for you to come on home

[Repeat 1]
