

# Used To Be My Girl

Brian McKnight

Yea, I feel sexy right there  
Yea, feel it all this way

B. McKnight, we're Tim & Bob  
This is not another love song

See, I know what you're thinkin'  
You're feelin' like a lucky guy  
I was the same way  
'cause she was hard to come by  
I was on her so hard  
That I almost lost my hustle  
So go 'head, playboy, do your thing  
Don't be mad if she calls my name

Walkin' around, supportin' her, holdin' her hand  
Doin' it big like you're the man  
But she was my girl  
She used to be my girl  
I must admit that she's a 10  
Bet she didn't tell you about way back when  
When she was my girl  
She used to be my girl

See, I know how you're feelin'  
I used to be in your shoes  
So calm down with the attitude  
You're just a next somebody new  
You never know how much she's feelin' you  
So be happy that you got her  
Don't know much about you, dude  
Sorry, I gotta break the news

She's still thinkin' 'bout me  
And I'll tell you why  
She couldn't even hold her head up when you walked by  
Well, don't go hatin' on me  
It's just a game  
You want her, you got her  
Take her, you got her  
To me it's all the same

Walkin' around, supportin' her, holdin' her hand  
Doin' it big like you're the man  
But she was my girl  
She used to be my girl  
I must admit that she's a 10  
Bet she didn't tell you about way back when  
When she was my girl  
She used to be my girl

Walkin' around, supportin' her, holdin' her hand  
Doin' it big like you're the man  
But she was my girl  
She used to be my girl  
I must admit that she's a 10  
Bet she didn't tell you about way back when

When she was my girl  
She used to be my girl

Erotic, exotic,  
You must admit she's got it  
She used to be my girl  
Sexy with talent  
Built like a stallion  
She used to be my girl  
You got her so flaunt her  
Know everybody wants her  
She used to be my girl  
'cause you might not be the only  
So never leave her lonely

She's still thinkin' 'bout me (she's still thinking 'bout me, and looking here)  
And I'll tell you why  
She couldn't even hold her head up when you walked by (hey, yea)  
Don't go hatin' on me  
It's just a game  
You want her, you got her  
Take her, you got her  
To me it's all the same

Walkin' around, supportin' her, holdin' her hand  
Doin' it big like you're the man  
But she was my girl  
She used to be my girl  
I must admit that she's a 10 (she used to be down with me)  
Bet she didn't tell you about way back when (she used to be a freak for me)  
When she was my girl (we used to hold hands, she used to understand)  
She used to be my girl (she used to be down with me)

Walkin' around, supportin' her, holdin' her hand (she used to take trips with me)  
Doin' it big like you're the man (she used to wiggle her hips for me)  
But she was my girl (she used to lick her lips for me)  
She used to be my girl (she used to, she used to)  
I must admit that she's a 10 (she used to, she used to)  
Bet she didn't tell you about way back when (she used to be my girl)  
When she was my girl (she used to be my girl)  
She used to be my girl (she used to be my girl)

Yea, yea, yea, yaaa, used to be my girl  
Walkin' around, supportin' her, holdin' her hand  
Doin' it big like you're the man  
But she was my girl  
She used to be my girl  
I must admit that she's a 10  
Bet she didn't tell you about way back when  
When she was my girl  
She used to be my girl
