

# When You Wanna Come

Brian McKnight

Some fellas only think of themsleves  
Themselves and no one else  
Dont care if it's good for you  
And fall asleep before your finished too

Let me be your tarzan swingin from a tree  
Triple W dot Superhero dot me  
I will show things  
You've never seen

All about you  
What you wanna do  
Everything you like

Pullin' On your hair  
Keep it right there  
All night, all night

Cant go too long  
Put it down strong  
'Til your work is done

Somebody said  
Relax dont do it  
When you wanna come

I'll do whatever you want me to  
For as long as you want me to  
Whatever's clever, baby  
I'm prepared  
I got a camera  
Can we take it there?  
I can be a tarzan  
Swingin' from a tree  
Triple W dot superhero dot me  
I will show you things  
you've never seen

All about you  
What you wanna do  
Everything you like

Pullin' on your hair  
Keep it right there  
All night, All night

Can't go too long  
Put it down strong  
'Til your work is done

Somebody said  
Relax dont do it  
When you wanna come

Dont stop  
Get it, Get it  
I'm just playin'

Unless you're with it

In '95 I told you 'bout the floor  
(when we go down on the floor)  
The ratio is one to four

I don't see nothin wrong  
This could go on & on  
It's a privilege  
To have you here  
With me

All about you  
What you wanna do  
Everything you like

Pullin' On your hair  
Keep it right there  
All night, All night

Cant go too long  
Put it down strong  
'Til your work is done

Somebody said  
Relax dont do it  
When you wanna come
