

# Who Would Have Thought

Brian McKnight

I fell in love  
On a very special day  
This feeling will never go away  
Now I can say  
That with you my love love, I'll always stay  
Look at me and tell me if I'm being deceived  
'Cause right now this feelin' is hard to believe

Chorus:

Who would have thought it'd be this way?  
Oh, no  
I never thought I'd fall in love on Christmas day  
Who would have thought I'd fall in love on Christmas day?

I can't believe  
That you are right here with me  
The star on my Christmas tree  
I wanna love you endlessly  
And that's the way I'll always want it to be (want it to be)  
Standing there when the lights from the tree  
Meets your eyes  
I can see  
That I only want you  
'Cause you're all that I need

Chorus

I'd never fall in love on Christmas day  
I never thought I'd fall in love  
On Christmas, Christmas day I'd fall in love

Chorus

I know that Christ came down  
To endure my sins and shame  
And now my dear we fall in love  
On this very special day  
This day

Do do do do do do do do do do hey hey  
Thought it'd be this way  
Oh, no

I never thought I'd fall in love  
I never thought I'd fall in love  
Who would have thought I'd fall in love on Christmas day?
