

# Without You

Brian McKnight

I went to London  
And every afternoon I had a spot of tea  
But it was lonely there with myself, I and me  
Without love

So I went to Paris  
The city of love, all by myself  
Hopin' to find somebody else  
But there's no love for me

I've been around the world  
To find another girl  
But there's no love  
There's no life without you

I went to Alaska  
But this time of year, it's too damn cold  
It's not the kind of place you can go  
Without love

So I went to Cairo  
Athens and ended up in Rome  
But then I realized I was too far from home  
But there's no love for me

I've been around the world  
To find another girl  
But there's no love  
There's no life without you

I check my message [Incomprehensible]  
Hopin' you're missin' me today  
And I didn't hear  
And now I'm filled with misery and pain

So I went to Sydney  
Down under is when I [Incomprehensible]  
Wastin' all the foolish time I spend  
Without love

So I sent you flowers  
Hopin' it was me you missed  
I was thinkin' 'bout the first time we kissed  
And if you still have love for me

I've been around the world  
To find another girl  
But there's no love  
There's no life without you
