

Yours

Brian McKnight

Oh, I want to be yours

Heart of mine, I'm sure you'll agree
We've never been in love before, honestly
I think she's the one
The lady for me
I know she feels the same way sincerely
Girl you're the one on my mind always
Come feel my nights and my days
You make me so crazy
Darlin' you know I wanna

I want to be yours
I long to be forever yours
I want to be yours
I want to be yours

Every night I go to sleep
I wantcha layin' next to me-truthfully
I need ya by my side
To take care of me, I'm on my hands and knees girl
Come on
And show me the way to your heart
Don't make me wait forever
Now that you know I wanna

Oh yeah I'll be right there
Whenever you call me
I'll be there, just call and I'll come running
I'll be there, whenever you need me I'll be there
