

## Rooster Rock

Brian Setzer

Well, in this barnyard I'm king cock of the roost  
Stay out all night, just drinkin' that moonshine juice  
And I don't show the crow till crack of noon  
And all the hens go Coo, coo, cock-a-doodle-do,  
look at that rooster rock

I said, coo, coo, cock-a-doodle-do,  
look at that rooster rock  
Ain't never seen a rooster do such a crazy bop, aha, aha, aha  
And if another red rooster

Comes a creepin' around my hen  
He won't believe the way that  
I fly into him  
And he'll be too chicken to ever cock fight again  
And all the hens go Coo, coo, cock-a-doodle-do,  
look at that rooster rock  
I said, coo, coo, cock-a-doodle-do,  
look at that rooster rock

Ain't never seen a rooster do such a crazy bop, aha, aha, aha  
And all the hens go Coo, coo, cock-a-doodle-  
do, look at that rooster rock Coo, coo, cock-a-doodle-do,  
look at that rooster rock  
Ain't never seen a rooster do such a crazy bop, aha, aha, aha  
And all the hens go Coo, coo, cock-a-doodle-do,  
look at that rooster rock

I said, coo, coo, cock-a-doodle-do,  
look at that rooster rock  
Ain't never seen a rooster do such a crazy bop, aha, aha, aha,  
aha
