

Rooster Rock

Brian Setzer

Well, in this barnyard I'm king cock of the roost
Stay out all night, just drinkin' that moonshine juice
And I don't show the crow till crack of noon
And all the hens go Coo, coo, cock-a-doodle-do,
look at that rooster rock

I said, coo, coo, cock-a-doodle-do,
look at that rooster rock
Ain't never seen a rooster do such a crazy bop, aha, aha, aha
And if another red rooster

Comes a creepin' around my hen
He won't believe the way that
I fly into him
And he'll be too chicken to ever cock fight again
And all the hens go Coo, coo, cock-a-doodle-do,
look at that rooster rock
I said, coo, coo, cock-a-doodle-do,
look at that rooster rock

Ain't never seen a rooster do such a crazy bop, aha, aha, aha
And all the hens go Coo, coo, cock-a-doodle-
do, look at that rooster rock Coo, coo, cock-a-doodle-do,
look at that rooster rock
Ain't never seen a rooster do such a crazy bop, aha, aha, aha
And all the hens go Coo, coo, cock-a-doodle-do,
look at that rooster rock

I said, coo, coo, cock-a-doodle-do,
look at that rooster rock
Ain't never seen a rooster do such a crazy bop, aha, aha, aha,
aha
