Cry

You touch my heart You touch my soul When I heard you cryin' you broke my heart Broke it in two How could I have left you alone

A silly quarrel That's what we had Then I heard you cryin' you broke my heart Broke it in two How could I have left you alone Like that to cry She seemed so fragile I really should have cared And that sent her cryin' you broke my heart Broke it in two How could I have left you alone Like that to cry
