Don't Let Her Know She's An Angel

Brian Wilson

I don't know why she adores me Why I'm the man of her dreams She thinks that I am her hero I'm not even sure what love means

Don't let her know she's an angel Don't let her know that you see Don't let her know that she's touchin' me I'm scared that she'll want to go free

I know I've fooled and deceived her Tricked her in love with me Pretending that I don't need her Love's full of such treachery

Don't let her know she's an angel Don't let her know that you see Don't let her know that she's touchin' me I'm scared that she'll want to go free

Some things are best left unsaid Some things should stay in your head I scare her away with my passion It's better I take no action

Don't let her know she's an angel Don't let her know that you see Don't let her know that she's touchin' me I'm scared that she'll want to go free

Maybe someday I'll tell her Tell her what she means to me Maybe someday I'll show her How loving a guy I can be

Don't let her know she's an angel Don't let her know that you see Don't let her know that she's touchin' me I'm scared that she'll want to go free

Don't let her know she's an angel Don't let her know that you see Don't let her know that she's touchin' me I'm scared that she'll want to go free

Don't let her know she's an angel Don't let her know that you see Don't let her know that she's touchin' me
