

## Here Today

Brian Wilson

It starts with just a little glance now  
Right away you're thinkin' 'bout romance now  
You know you ought to take it slower  
But you just can't wait to get to know her  
A brand new love affair is such a beautiful thing  
But if you're not careful think about the pain it can bring  
It makes you feel so bad  
It makes your heart feel sad  
It makes your days go wrong  
It makes your nights so long  
You've got to keep in mind love is here today  
And it's gone tomorrow  
It's here and gone so fast  
Right now you think that she's perfection  
This time is really an exception  
Well you know I hate to be a downer  
But I'm the guy she left before you found her  
Well I'm not saying you won't have a good love with her  
But I keep on remembering things like they were  
She made me feel so bad  
She made my heart feel sad  
She made my days go wrong  
And made my nights so long  
You've got to keep in mind love is here today  
And it's gone tomorrow  
It's here and gone so fast  
Ok, here's we go  
Keep in mind love is here today  
And it's gone tomorrow  
It's here and gone so fast  
Love is here today  
And it's gone tomorrow  
It's here and gone so fast  
Love is here today  
And it's gone tomorrow  
It's here and gone so fast
