

Heroes And Villains

Brian Wilson

I been in this town so long that back in the city I been
Taken for lost and gone and unknown for a long, long time

Fell in love years ago with an innocent girl from the
Spanish and Indian home of the Heroes and Villains.

Once at night, cotillion squared, the fight, and she was right
In the rain of the bullets that eventually brought her down

But she's still dancing in the night unafraid of what
A dude'll do in a town full of Heroes and Villains.

Heroes and Villains
Just see what you done-done
Heroes and villains
Just see what you done-done

Stand or fall, I know there shall be peace in the valley, and
It's all an affair of my life with the Heroes and Villains.

In the cantina, Margarita keeps the spirits high.
There I watched her, she spun around and wound in
The warmth, her body fanned the flame of the dance.

Dance Margarita! Don't you know I love you!

My children were raised, you know they suddenly rise.
They started slow long ago, head to toe, healthy, wealthy, and
wise.

I been in this town so long, so long to the city
I'm fit with the stuff to ride in the rough, and Sonny,
Down snuff, I'm alright by the Heroes and Villains.
