

# Meet Me In My Dreams Tonight

Brian Wilson

Tonight I'll drive home all alone  
And maybe later we'll talk on the phone  
But it takes a little more to get me through  
If we can't get together here's what we'll do  
Hold on

And meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light  
Meet me in my dreams tonight

I've been waitin' all day  
Now I won't let nothin' stand in my way  
'cause I just can't wait to see your face  
At the usual time and the usual place  
Hold on

And meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light  
Meet me in my dreams tonight

Oh lullabye (bye) baby (bye)  
Goodnight (bye) baby (bye)  
Oh lullabye (bye) baby (bye)  
Goodnight (bye) baby (bye)  
La-hullabye (bye) baby (bye)  
Goodnight (bye) baby (bye)

Gotta get together gotta really try  
There's a wonderland waitin' for you an i  
Hold on hold on

Meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light  
Meet me in my dreams tonight

Meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light  
Meet me in my dreams tonight

Meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light  
Meet me in my dreams tonight

Meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light
