The Warmth Of The Sun

Brian Wilson

What good is the dawn That grows into day The sunset at night Or living this way

For I have the warmth of the sun (The warmth of the sun) Within me at night (Within me at night)

The love of my life She left me one day I cried when she said "I don't feel the same way"

Still I have the warmth of the sun (Warmth the warmth of the sun) Within me tonight (Within me tonight)

I'll dreams of her arms And though they're not real Just like she's still there The way that I feel

My love's like the warmth of the sun (The warmth of the sun) It won't ever die (It won't ever die)
