

Littl'An, is dyed inside
A colour I don't know the name of
Her fears fulfilled

Littl'An, she goes nowhere
So many places that she hasn't heard of
And never will

But I can tell
That she's just like everybody else
So tell me I'm right
And tell me I'm the one, the one

Well she will change
'Cos that's what people do
Oh in a few years I don't know what I'll be like
But I hope I'm still with you

But you will leave
Like all the little'ans so
It takes a minute to become a total stranger
And the rest of your life to regret what you will do

But I can tell
That she's just like everybody else
So tell me I'm right
And tell me I'm the one, the one

Yeah, tell me I'm right
And tell me I'm the one, the one

Yeah, tell me I'm right
Oh!
