

Sum Me Up

BriBry

I say cheaters have no hearts but I cheated on the one that I loved, for life and
I say tattoos are turn offs but look at my arms and look at the mess on them

I don't want a girl with problems, even though we'd be a perfect match
Oh, how do I get what I want, when I don't know what it is?

I don't like bending down to kiss but when would I find someone taller than me
And if I did well I'd run to the hills 'cause she'd look fucking scary

And I don't want a girl who won't trust me, even though we'd be a perfect match
It's your loss if you want to love me, but your friends will think you're much better than that
Oh how do I get what I want, when I don't know what it...?
Get what I want when I don't know what it...?
Get what I want when I don't know what it is?
