

Dad Mom

Bride

Dad I love you
Mom I love you so much
Please don't go
I know you miss me so much
I want you so much
Jesus cares about us
Dad I love you
Mom I love you so much

I know you want to be with me
Dad, she's coming back to me
Mamma was gone, she said she's coming back

I never stopped being me
I love you Dad so much
Dad I love you
Mom I love you so much
You're the only one for me
I love you wherever you go
Happy Father's Day
Dad, are you all fine

I know you want to be with me
Dad she's coming back to me
Mamma was gone, she said she's coming back

I want to save you in my mind
Dad, I want you to be in my mind forever
I love you the way you love me
I want to be with you
Be with me

I know you want to be with me
Dad, she's coming back to me
Mamma was gone, she said she's coming back

Dad I love you
Mom I love you so much
Dad I love you
Mom I love you so much
Dad I love you
Mom I love you so much
Dad I love you
Mom I love you so much
