

God's Human Oddities

Bride

It's obvious what the world wants
To wipe away God's fingerprints
To know divine authority exists
No accountability or reason to repent

God's human oddities
God's human oddities

Man is not thankful in their futility
They imagine themselves to be wise
Their foolish hearts of darkness
They don't see the power of the cross is life

God's human oddities

Live for the flesh embraced till the end
Mortify the deeds, mortify the deeds
Mortify the deeds of the flesh

Why do you deny the existence of love
Say no one looks down on you from above
To be free of God is not to be free at all
It means having no one to hear you when you call

Live for the flesh embraced till the end
Mortify the deeds, mortify the deeds
Mortify the deeds of the flesh
