

Goodbye

Bride

She comes to me in my dreams
Dancing on the stormy sea
The light to guide my way
There was sorrow in my mind
She helped me to find
My way to the pearly gates

She's here to say
It's not the same as yesterday
You can change and you don't have to be alone
She's here to say
There's a better way
If you'll open your heart

Goodbye to the lie that blinded me here
Hello to the One who saved me
Goodbye to the lie that blinded me here
Hello to the One who saved me

There is room for everyone who listens
There's a Heaven for those who are wishing
When I get that broken kind of feeling
I have a friend I can believe in

She's here to say
It's not the same as yesterday
You can change and you don't have to be alone
She's here to say
There's a better way
If you'll open your heart

Goodbye to the lie that blinded me here
Hello to the One who saved me
Goodbye to the lie that blinded me here
Hello to the One who saved me, yeah

Who saved me, yeah, yeah
Oh, yeah, oh, yeah, yeah, oh

She's here to say
It's not the same as yesterday
You can change and you don't have to be alone
She's here to say
There's a better way
If you'll open your heart

Goodbye to the lie that blinded me here
Hello to the One who saved me
Goodbye to the lie that blinded me here
Hello to the One who forgave me

Goodbye to the lie that blinded me here
Hello to the One who saved me
