

# Goodbye

Bride

She comes to me in my dreams  
Dancing on the stormy sea  
The light to guide my way  
There was sorrow in my mind  
She helped me to find  
My way to the pearly gates

She's here to say  
It's not the same as yesterday  
You can change and you don't have to be alone  
She's here to say  
There's a better way  
If you'll open your heart

Goodbye to the lie that blinded me here  
Hello to the One who saved me  
Goodbye to the lie that blinded me here  
Hello to the One who saved me

There is room for everyone who listens  
There's a Heaven for those who are wishing  
When I get that broken kind of feeling  
I have a friend I can believe in

She's here to say  
It's not the same as yesterday  
You can change and you don't have to be alone  
She's here to say  
There's a better way  
If you'll open your heart

Goodbye to the lie that blinded me here  
Hello to the One who saved me  
Goodbye to the lie that blinded me here  
Hello to the One who saved me, yeah

Who saved me, yeah, yeah  
Oh, yeah, oh, yeah, yeah, oh

She's here to say  
It's not the same as yesterday  
You can change and you don't have to be alone  
She's here to say  
There's a better way  
If you'll open your heart

Goodbye to the lie that blinded me here  
Hello to the One who saved me  
Goodbye to the lie that blinded me here  
Hello to the One who forgave me

Goodbye to the lie that blinded me here  
Hello to the One who saved me
