Goodbye

She comes to me in my dreams Dancing on the stormy sea The light to guide my way There was sorrow in my mind She helped me to find My way to the pearly gates

She's here to say It's not the same as yesterday You can change and you don't have to be alone She's here to say There's a better way If you'll open your heart

Goodbye to the lie that blinded me here Hello to the One who saved me Goodbye to the lie that blinded me here Hello to the One who saved me

There is room for everyone who listens There's a Heaven for those who are wishing When I get that broken kind of feeling I have a friend I can believe in

She's here to say It's not the same as yesterday You can change and you don't have to be alone She's here to say There's a better way If you'll open your heart

Goodbye to the lie that blinded me here Hello to the One who saved me Goodbye to the lie that blinded me here Hello to the One who saved me, yeah

Who saved me, yeah, yeah Oh, yeah, oh, yeah, yeah, oh

She's here to say It's not the same as yesterday You can change and you don't have to be alone She's here to say There's a better way If you'll open your heart

Goodbye to the lie that blinded me here Hello to the One who saved me Goodbye to the lie that blinded me here Hello to the One who forgave me

Goodbye to the lie that blinded me here Hello to the One who saved me
