

# I Miss The Rain

Bride

There's a place I like to go back to  
Time seemed to stand still  
We ran wild, we had no cares  
Take me back to that place  
I wish there were a door I could walk right through  
To escape this life  
I wanna to go back to what we had  
Times were better then

I miss the rain, I miss the rain  
My heart's been dry like the tear in my eye  
I've been hurting for you again  
I miss the rain, I miss the rain  
My heart's been dry like the tear in my eye  
And the pain that I feel  
Lord, I miss the rain

It keeps me young when I remember  
In my mind the past still lives  
I've held on to every thought  
It keeps me so alive  
The future holds nothing for me  
If I can't hold you  
I used to try and change the world  
Now I change a little for myself

I miss the rain, I miss the rain  
My heart's been dry like the tear in my eye  
I've been hurting for you again  
I miss the rain, I miss the rain  
My heart's been dry like the tear in my eye  
And the pain that I feel

I miss the rain (oh)  
I miss the rain (how I miss the rain)  
I miss the rain (falling down)  
I miss the rain (I miss the rain)

I know there are those who are far sadder than I  
They lost things they cannot replace  
Like the beauty in their eyes  
But through it all one thing is constant and remains  
The love of God erases all my pain

I miss the rain, I miss the rain  
My heart's been dry like the tear in my eye
