

Jesus Came Back via Jesus In A Pawn Shop

Bride

Jesus came back and he found you
At a card table in the back of a pawn shop
Jesus came back and he found you
Sleeping by the river on them big old nasty rocks

Jesus came back
Jesus came back

Jesus came back and he found you
In love with someone with no name
Jesus came back and he found you
Swimming like a blind fish in Mammoth Cave

Jesus came back
Jesus came back

Jesus came back
Jesus came back
Jesus came back

Jesus came back and he found you
On your front porch waiting for the sun to go down
Jesus came back and he found you
All your money buried in stoney ground
