

## Spirit

## Bride

I don't like what I hear  
That you're gonna be leaving

That you are going away  
Don't leave me comfortless

If you save your life  
You will lose it  
If you lose your life  
You will find it

Never be ashamed  
Never be ashamed  
Never be ashamed  
Ashamed

Send back, send back  
Send back Your spirit  
To speak, to speak  
To speak of You  
New peace, new peace  
The world won't find  
New hope, new hope  
New hope of love in time

Lift us with Your peace  
We will abide in You

World will hate us  
'Cause it hated You

If you save your life  
You will lose it  
If you lose your life  
You will find it

Never be ashamed  
Never be ashamed  
Never be ashamed  
Ashamed

Send back, send back  
Send back Your spirit  
To speak, to speak  
To speak of You  
New peace, new peace  
The world won't find  
New hope, new hope  
New hope of love in time

What will we do  
Once You have gone  
We will miss You  
Where will You go

What will we do  
Once You have gone

We will miss You  
Where will You go

If you save your life  
You will lose it  
If you lose your life  
You will find it

Never be ashamed  
Never be ashamed  
Never be ashamed  
Never be ashamed  
Never be ashamed

Send back, send back  
Send back Your spirit  
To speak, to speak  
To speak of You  
New peace, new peace  
The world won't find  
New hope, new hope  
New hope of love in time
