

Tell Me

Bride

Tell me
Tell me, is this what you want
Tell me, is that what you mean
Tell me, what is rolling off my tongue
Tell me, sugar coated from my lips

I don't ever
I don't ever
Want to feel this way again
I don't ever
I don't ever
Want to feel this way again

Tell me
Tell me, would you rather hear me scream
Tell me, or preach the word to you
Tell me, spoon fed choke it down
Tell me, will I ever get through

I don't ever
I don't ever
Want to feel this way again
I don't ever
I don't ever
Want to feel this way again

Tell me
Tell me, am I living in prophecy
Tell me, the worlds so sad and ugly
Tell me, let me help you to your feet
Tell me, no one's gracious in defeat

I don't ever
I don't ever
Want to feel this way again
I don't ever
I don't ever
Want to feel this way again
This way again

Tell me
Tell me
Tell me
Tell me

Tell me
Tell me
Tell me
Tell me
