

# Under the Influence

Bride

Sky grew black and like an engine humming  
I could tell it was my time  
I could hear the sound of my heart beat thumping  
And it echoes in my mind

Just like the prophet spoke  
Babe, it's not a joke  
Don't take another sip of wine  
Better leave that bottle  
'Cause it's coming full throttle  
Gonna mess with your mind

Under the influence  
Yeah  
Killing the innocent  
No

Under the influence  
Yeah  
Killing the innocent  
No

See, the eyes of the innocent cause me embarrassment  
Will I make it out alive?  
I can beg, I can plead and I can watch you bleed  
You know I'm not afraid to die

Just like the prophet spoke  
Babe, it's not a joke  
Don't take another sip of wine  
Better leave that bottle  
'Cause it's coming full throttle  
Gonna mess with your mind

Under the influence  
Yeah  
Killing the innocent  
No

Don't be deceived by what you might see  
It gets worse for me everyday  
I could tell you things that you might not believe  
The highway shows me the way

Steer to the left and I steer to the right  
Hear their fatal screams  
Never drink more than I really, really need  
It's always worse than it seems

Under the influence  
Yeah  
Killing the innocent  
No

Under the influence  
Yeah  
Killing the innocent

No
