

## Won't Let Go

Bridge to Grace

Stop doing what you're doing now  
Cause I, don't let my feeling's come around  
If the something listening inside  
Would you give me a chance to let it die

I don't wanna spend the rest of my life  
Wandering if you're coming back or not  
I don't wanna feel empty within on broken promises  
But if this is over

I won't let go  
So tell you that you  
I won't break down  
Now that's something with you  
You never listen to me anyway  
I try to explain, you walk away  
This feeling is not inside  
Would you let inside

This isn't making any difference now  
That I, I have let this feeling's fall to the ground  
Stop everything you're doing now  
Cause I am worse inside, just come out way too loud

I don't wanna spend the rest of my life  
Wondering if you're coming back or not  
I don't wanna feel empty within on broken promises  
But if this is over

I won't let go  
So tell you that you  
I won't break down  
That's something with you  
You don't listen to me anyway  
I try to explain, you walk away  
This feeling is not inside  
Would you let inside  
Would you let us die  
There's too many reasons why  
We can't walk away

I won't let go  
To tell you that you  
I won't break down  
Now that's something with you  
You never listen to me anyway  
I try to explain, you walk away  
This feeling is not inside  
Would you let inside
