

Do You Miss Me at All

Bridgit Mendler

From this view

I see colors, the blacks and the blues
Here comes another night
Without you
I'm looking over the trees and the roofs
And I don't know what I will find

I don't know if you're even in the city
Don't know if you're even at home
Don't know who you're spending all your time with

But do you miss me at all?
Do you wonder what I'm up to
Without you
Do you miss me at all?
Do you wanna leave message on my phone
Saying "I'm coming home"?

In this room you are the wallpaper that sticks like glue
Into my memory
So do you
Think me over
Once in a blue moon
'Cause you always rise to me

I don't know if you're even in the city
Don't know if you're even at home
Don't know who you're spending all your time with

But do you miss me at all?
Do you wonder what I'm up to
Without you
Do you miss me at all?
Do you wanna leave message on my phone
Saying "I'm coming home"?

Gone without a trace
You been so MIA
Was passing through your neighborhood
Boy you're been abrupt

I never get enough to
Know that you still think of me too

I don't know if you're even in the city
Don't know if you're even at home
Don't know who you're spending all your time with

But do you miss me at all?
Do you wonder what I'm up to
Without you
Do you miss me at all?
Do you wanna leave message on my phone
Saying "I'm coming home"?

Yeah

Do you wonder what I'm up to

Without you
Do you miss me at all?
Do you wanna leave message on my phone
Saying "I'm coming home"?
Yeah

Do you wonder what I'm up to
Without you
Do you miss me at all?
Do you wanna leave message on my phone
Saying "I'm coming home"?
