

Forgot to Laugh

Bridgit Mendler

1. When I read your face It's like a screen door
I can see right through Your heart's a window
Why you gotta treat me like the bimbo?
The sticks it out When you don't care anymore
You make it so easy
You're sweet like a Reese's Pieces
But I promise, if you leave me
You'll be crawling on your knees
So if you go, it's a joke

R: If you drive away (ba-ba-ba)
Hope you get a flat tire, get stranded
If it's goodbye today (ba-ba-ba)
Know you're leaving here empty handed
'Cause I got my own life
And you're just a punch line
If you go, you're a joke
I forgot to laugh

2. You don't like it when I check your iPhone (check your iPhone)
I don't even get my own ring tone (ringtone)
When you're heading out with all your best bros (best bros)
You don't wanna tell me where you guys go (guys go)
You say that I'm needy
Like a kid needs Reese's Pieces
But I promise if you leave me
You'll be running back to me
At my door, what a joke

R: If you drive away (ba-ba-ba)...

*: So if you're saying 'peace' like
You're so over me
Tryin' to sting like a bee
Then I gotta laugh
You're more like a jockey
Or a cute little bunny

Think that you're funny
I forgot to laugh
Laugh
Like a diamond in a mountain of coal
I'm the kind of girl the guys can't find anymore
(Hey yeah!)

R: If you drive away (ba-ba-ba)... (2x)
